

Alex Hammond to Join Wolfe Research

Premier Research Firm Adds Rising Star Biotech Analyst

New York, NY – September 3, 2024 – Wolfe Research, LLC is pleased to announce that Alexandria Hammond will join Wolfe in October as a Senior Research Analyst and Head of Therapeutics Research. Alex is scheduled to launch coverage of Global Pharmaceuticals and Large Cap Biotech stocks at Wolfe in the Fourth Quarter of 2024.

Alex joins from Bank of America, where she was a member of the top-ranked Institutional Investor team in Major Pharma & Large Cap Biotech sectors. She graduated from Binghamton University with a Bachelor of Science in Cell and Molecular Biology and from New York University School of Medicine with a PhD in Microbiology.

Founder and Managing Partner Ed Wolfe stated, “I have been getting to know Alex for about a year, quickly recognizing that she’s a top talent in her sector. She is an exceptionally smart and driven analyst whose star will continue to rise at Wolfe. We will provide her the resources to help her dominate her space over time, which is clearly ripe for new leadership. Alex will have the opportunity to collaborate with our top-notch Healthcare analysts including Justin Lake, Doug Schenkel, Mike Polark, and Andy Chen, as we continue to invest in the Healthcare sector, a space that remains a top growth priority for Wolfe.”

Ms. Hammond commented: “I am elated to join Wolfe Research and establish myself as a lead analyst in the Pharma & Biotech sectors. Wolfe’s differentiated platform and their focus on high-quality, deep research were key factors in my decision. I look forward to learning from and working with their all-star Healthcare analysts, experienced management team and driven salesforce.”

Alex will join as a Director and work out of Wolfe’s New York office.

About Wolfe

Wolfe Research, LLC was founded in 2008 as a premier equity research firm with a commitment to best-in-class products and service.

Wolfe Research was voted #6 on both a weighted and unweighted basis for equity research during 2023 by institutional clients in the prestigious Institutional Investor All-America Research Poll, trailing only significantly larger bulge bracket firms, who have historically not been viewed as our peers.

Wolfe's award winning QES (Quant, Economics & Strategy) product provides a leading proprietary factor library, including cutting edge portfolio analytics and risk management tools, and unparalleled, back-tested, alternative data to our clients.

Wolfe remains committed to acquiring top-ranked Analysts (30 and counting) across all industry sectors. In addition, Wolfe is a mentoring shop dedicated to developing talent from within all levels of the firm. The firm has established a reputation for Macro Research and Quantitative Analysis employing alternative data underpinning leading fundamental coverage in Industrials / Basic Materials, Energy / Utilities, Consumer / Retail, Financials / REITS, Healthcare, and TMT.

Wolfe clients, aside from receiving research services, also benefit from equity trading and liquidity provisioning capabilities through Wolfe's Strategic Alliance with Nomura and Instinet, where Wolfe offers clients unbiased, high touch and low touch agency executions for global equities and a top ranked derivatives platform for options & swap trading. In addition, through the Wolfe | Nomura Alliance, Wolfe participates selectively in high-end Capital Markets and Advisory Services.

Wolfe Research, LLC and its affiliates currently employ about 265 full-time professionals with representatives in New York, London, Madrid, Paris, Sydney, Toronto, Boston, Mumbai, San Francisco, Houston, Chicago and Delray Beach and the firm continues to actively search for top talent.
